

Urban Youth Ministry

Of Greater Indianapolis, Inc.

December 6, 2021

Dear ,

URBAN YOUTH MINISTRY of Greater Indianapolis is on the move to make our city a better place to live by teaching inner city children how to live better and make good choices.

WHY?

- Cities matter because they are the center of cultural significance.
- Cities matter because they are where people live.
- Cities matter because they are the hub of spiritual activity.

Please continue to help our team to go and make an eternal impact on Indy's public-school students. Jesus went to cities to heal and save. Likewise, this is our field of service. In fact, God left his sanitized environment to enter an unsanitized world to save the lost. We must leave our sanitized homes and enter a messy world to make it a little prettier.

As we celebrate this truth at Christmas time with our loved ones, may we all be more like Christ. Thank you for a wonderful year and God bless as together we serve Him in 2022.
