Young Champions

February 7, 2022

Dear \_\_\_\_\_,

Last Fall our Director, John Hunt, was able to get the Young Champion program into the Wheeler-Dowe Boys and Girls Club. This is an after-school program for inner city kids from IPS.

The good news is that Young Champions is expanding into two additional clubs here in Indy. The Lily Club began last week, and the Post Road Boys and Girls Club will begin February 1st.

Between 180-200 children will be taught a value-based curriculum weekly by our Advocates. Along with this news, we are working on the possibility of being approved to place our classes in all 17 Clubs in our city.

It is also my privilege to announce that UYM has received a book grant of \$4,250.00 from the Central Indiana Community Foundation and The Mind Trust Inc. As a result, every child will receive their own personal book to take home and keep.

Lastly, UYM has applied for another grant. If approved, we will be developing an interactive curriculum where every Boys and Girls Club across America can access our Young Champion classes and values-based curriculum.

This is an exciting time to expand our influence throughout our city and nation.

Thanks for your prayers and support of UYM!
