April 6, 2022

Dear

Over the past 3 months I have written you and have given a progress report of Young Champions. Each month something new is happening and the program continues to grow. In January we were in two clubs. In February we were in three clubs. In March we were in four clubs. Today, I am happy to announce, in April we are in six clubs across our city.

Nearly 400 students representing over 40 IPS schools are being influenced and taught POSITIVE VALUES to live by. Every student is a creation of God who needs our love and protection against the many untrue philosophies of our world.

Our goal for the 2022-2023 school year is to be in all 12 clubs across our city. Thank you for all you do financially and prayerfully to make all of this happen.

Your generosity is appreciated,

Greg A. Dixon
