Dear Pastor,

The summer is quickly coming to a close and another school year will begin again. Some things never change. It is a cycle that never ends. As a result, we must be ready to re-enter our inner city, the devil's playground, and embrace the challenges of the mental health crisis because of the lockdowns over the last two years.

This month through September seven new TEACHING ADVOCATES will begin training. Two men and five ladies have been hired expanding our influence in the lives of children. I look forward to you meeting them soon.

We are thankful for the Boys and Girls Clubs that have re-opened their doors to UYM again. We are also looking to expand into a few alternative schools in the fall along with a few YMCA after school programs. Together we have the opportunity to influence children from approximately 30-40 schools.

Please pray with us as we have written and submitted several grants to various foundations in our city to help us fund all that we aim to do.

Your help has been invaluable to our program, and I want to say a big thanks for your continued support.

God bless abundantly,

Greg A. Dixon
