Dear Mr. & Mrs. Bont,

Last Saturday I met with our Director Nick Bolden to discuss our accomplishments this summer and our goals for the fall school year.

This summer was short with only eight weeks of teaching time but it was filled with great opportunity. Below are the institutions that the Young Champion classes were taught.

1. Project Seed of Anderson-A court ordered program for juveniles on probation.
2. Pendleton A Unit- **This unit is geared to military training. It also has the best behaved. It is an upgraded honor to be in this unit.**
3. Pendleton B Unit- This unit has been added to the program. It reaches more youth upon the request of the chaplain. This unit may be the worst of the young men in the facility. They are waived to adult court but are still under 18. When they turn 18, they move across the street to the adult facility.

I want to thank Nick for his diligent work this summer to influence these young men for good.

As we look forward to the 2019-2020 school year our goal is to hold 8-10 YC classes in IPS and also in the Pike Township schools. Also, we are working with some volunteers to open a new class in the Mooresville school system. During the month of August and September we make our contacts all over again and hopefully in October the classes begin.

I am happy to announce that UYM is only \$3000.00 away from meeting its financial goals for this coming year. Thank you to everyone who continues to give in order to make this ministry viable and productive.

God bless!
