Dear Mr. & Mrs. Hendricks,

Every month throughout the year I try to update you on the successes of Urban Youth Ministry. The number of schools we are in and the weekly attendance is important but even more important is the progress each student makes throughout the school year. The goal of UYM is to teach positive values to at-risk kids and then evaluate if their attitudes have also changed in a positive manner.

This process is accomplished by giving a Pre-Test and a Post-Test to each student. One at the beginning of the year and the other at the end. I am happy to announce that all test scores rose in each of the classes this year. As a result, when these students interact in real life situations what they have learned hopefully dictates their actions and attitudes.

If one life is saved, if one life avoids prison, if one life succeeds it is worth all we have done together to change our world.

May I remind you that our year ends in August next month. My hope is that we can end August and begin a new year in September in the black financially. To accomplish this goal another \$5000.00 is needed. Please remember UYM and our Young Champion program in your giving goals.

Thank you for all the kindnesses that you have bestowed upon the students in Indy's schools.

God bless!
