Dear Mr. & Mrs. Hendricks,

Every October 31st Americans celebrate Halloween whether we like it or not. Children come to our doors expecting free candy and goodies. So, to be good neighbors we usually comply with their wishes.

However, something else happened this past Thursday that most people will never know. While candy was being passed out around our city, our Director Nick Bolden was at Pendleton Reformatory passing out Certificates of Completion to the young men for having graduated from the Young Champion program. Yes, snacks were provided in order to celebrate but how wonderful is this little known life changing event? Many of these men will use their certificates when they go before the Judge hoping to receive shortened sentences for graduating from our program.

According to Nick, these guys were so appreciative of this celebration and excited about their personal achievement. Giving HOPE to the HOPELESS is what the Christian experience is all about. Thank you to everyone who has made this story possible through your prayers and financial support.

As we come to the end of another calendar year please remember URBAN YOUTH MINISTRY in your END of the YEAR giving. What you do does make a difference!

God bless!
