As we begin a brand new year I hope we all will "press toward the mark of the high calling of God in Christ Jesus." What a privilege to have another year to be fruitful and faithful.

I would like to encourage you to go to our web site indyurbanyouth.com. Recently, we have made some changes and improvements. Hopefully, after a few more additions the site will paint a better picture of what our staff is doing in our public schools and institutions.

This past year much was accomplished. Our Director Nick Bolden worked with an organization called Young Men Inc. Over 100 students participated in the few weeks he had in order to make an impact in their lives. Another group he ministered to was a summer and fall class in which he taught at the Evening Reporting Center. However, one of the most challenging classes is at Pendleton where he worked with Youth facing adult charges. Many showed signs of embracing the values that will make their lives better going forward.

Again, as we close out 2019 and begin 2020 your continued prayers and support is appreciated. Please pray for me personally as I travel to Liberia, Africa this week to teach church finance and promote church planting to 100 pastors. I am also planning to visit an orphanage to purchase mattresses and toilets for 50+ orphans.

It is an honor to serve the Lord at home and abroad.

God bless!

Greg A. Dixon
