Executive Director

Dear Friends-

816 students in 7 Indy locations were taught POSITIVE VALUES to live by in February. The instruction from our Director and Teaching Advocates included the following:

1. Conversations about Christ.
2. Art coloring, stories, and skits.
3. Interpersonal development skills.
4. Leadership training.
5. Social wealth building.
6. Problem-solving skills.
7. Critical thinking skills.

As you can see, the UYM program is about more than just babysitting. The subject material is deep and goes to these children's hearts for life change. I am grateful for our opportunity to teach and challenge these children to be different; it all begins with their thinking.

Thank you for your continued financial support to help us help the inner-city children of our city.

God bless,

Greg A. Dixon
